

PUBLIC SERVICE LOAN FORGIVENESS PROGRAM

Do you have student loan debt? If so, have you heard of the Public Service Loan Forgiveness (PSLF) Program? Ran by the U.S. Department of Education, the PSLF program forgives the remaining balance on your Direct Loans after you have made 120 qualifying monthly payments under a qualifying repayment plan while working full-time for a qualifying employer. To see if you're on track, submit a Public Service Loan Forgiveness (PSLF) & Temporary Expanded PSLF (TEPSLF) Certification & Application (PSLF Form). For completion of the Employer section, send forms to hr_payroll@co.thurston.wa.us. For further details on the program and to download the form, go to: <https://studentaid.gov/manage-loans/forgiveness-cancellation/public-service>.
