Title: SUBMITTAL OF INSPECTION REPORTS FOR ON-SITE SEWAGE SYSTEMS (OSS) WITH ANNUAL OPERATIONAL CERTIFICATE (OPC) RENEWALS

Related: ONST.13.POL.808

Approved: 
Environmental Health Director

Date: 07/07/14

Cancels: New

RCW/Code: Article IV, Section 16

This policy applies to onsite sewage systems (OSS) that require annual renewals of their operational certificates (OPC).

1. Inspections, of OSSs that are required to have an annually renewed OPC, must be done no earlier than 90 days prior to the OPC expiration date when the inspection is done for the purposes of renewing the OPC.
2. Reports of inspections completed more than 90 days prior to the OPC expiration date will be considered too old to reflect the status of the OSS for the purposes of issuing an OPC, and will not be accepted by the department.
3. All OSS professionals must submit inspection reports to the Health Officer by the 10th of the month following the date inspected using onlineRME system.
