1. Open Space Tax Program Changes – Sent to you as an attachment 09-14-21.
2. Broadening the category of Project Notifications (formerly "Green Sheets") that are sent to us for review. Right now we only get subdivision applications. Does the Ag committee think we should get copies of **all** types of applications that might result in a change from agricultural use to some other use.
3. The idea of having someone requesting a rezone of agricultural land so it can be developed to (1) buy equivalent development rights elsewhere in the county, or (2) contribute an appropriate amount to a County PDR fund
