MEMORANDUM

November 15, 2023

TO: Heather Tschaekofske, Thurston County Community Planning & Economic Development

FROM: Kyle Overton, Thurston County Environmental Health Division 

SUBJECT: Project 2023101169, Folder Sequence 22-103158 XI, Tax Parcel 13609120100,
NW Green Construction Reasonable Use Exception (RUE) Application

The above-referenced application has been routed to this department for review and comment. This project is requesting a reasonable use exception to construct a single-family residence and associated site improvements within mima mound and prairie habitat. The undeveloped property is 9.55-acres in size.

The proposed residence is to be served by a single-family well and on-site septic system. An onsite sewage system was applied for under permit 23-111804 and conditionally approved by Environmental Health.
Environmental Health has completed review and has no objection to the Reasonable Use Exception.

If you or the applicants have any questions regarding Environmental Health's review, I can be reached at kyle.overton@co.thurston.wa.us or (360) 867-2654.
