If the reconciliation column does not equal zero, provide an explanation of the discrepancies and/or the process followed to resolve the discrepancies per WAC 434-262-060, 070 and 100.

-In precinct 171, We received a returned signed oath envelope that contained no ballot. Not knowing who the person was, we sent a blank ballot through in order for this precinct to balance that day. The following day, a voter returned only their security envelope, included their ballot. The voter identified themselves in this ballot, giving their name and address. After much discussion and brought to the canvassing board, it was decided that the voted ballot be counted and a notation that this person will be one over.
