RESOLUTION NO. 843

A RESOLUTION of the Board of Directors of North Thurston Public Schools, Thurston County, Washington, providing for the submission to the qualified electors of the District at a special election to be held therein on February 14, 2012, of the proposition of whether excess taxes should be levied of \$30,700,000 in 2012 for collection in 2013, \$31,700,000 in 2013 for collection in 2014, \$32,500,000 in 2014 for collection in 2015 and \$33,000,000 in 2015 for collection 2016, said excess taxes to pay part of the cost of education programs and maintenance and operations support of the District.

WHEREAS, North Thurston Public Schools, Thurston County, Washington (the "District"), for the past two years has had in effect maintenance and operations levies to enable the District to pay for its educational maintenance and operations, including teaching, school supplies, athletics and activities, transportation and facility maintenance and operations; and

WHEREAS, the current maintenance and operations levies expire this year; and

WHEREAS, the money in and to be paid into the General Fund of the District during the 2012-2013, 2013-2014, 2014-2015, 2015-2016 and 2016-2017 school years will be insufficient to enable the District to pay for necessary maintenance and operations and to properly meet the educational needs of the students attending District schools; and

WHEREAS, in order to properly provide for such maintenance and operations and such educational needs, the Board of Directors of the District deems it necessary to levy the following taxes upon all of the taxable property within the District in excess of the maximum annual tax levy permitted by law to be levied within the District without a vote of the electors:

- A. A tax of approximately \$3.50 per thousand dollars of assessed valuation to provide \$30,700,000, said levy to be made in 2012 for collection in 2013;
- B. A tax of approximately \$3.56 per thousand dollars of assessed valuation to provide \$31,700,000 said levy to be made in 2013 for collection in 2014;

- C. A tax of approximately \$3.59 per thousand dollars of assessed valuation to provide \$32,500,000 said levy to be made in 2014 for collection in 2015; and
- D. A tax of approximately \$3.59 per thousand dollars of assessed valuation to provide \$33,000,000 said levy to be made in 2015 for collection in 2016;

and

WHEREAS, the Constitution and laws of the State of Washington require that the question of whether or not such excess taxes may be levied must be submitted to the qualified electors of the District for their ratification or rejection;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF NORTH THURSTON PUBLIC SCHOOLS, THURSTON COUNTY, WASHINGTON, as follows:

Section 1. The following taxes for the District's General Fund should be levied upon all of the taxable property within the District in excess of the maximum annual tax levy permitted by law to be levied within the District without a vote of the electors:

- A. \$30,700,000, said levy to be made in 2012 for collection in 2013;
- B. \$31,700,000, said levy to be made in 2013 for collection in 2014;
- C. \$32,500,000, said levy to be made in 2014 for collection in 2015; and
- D. \$33,000,000, said levy to be made in 2015 for collection in 2016.

The estimated levy rate depends upon the final dollar amount of assessed value of the property within the District. At this time, based upon information provided by the County Assessor's office, the estimated levy rate for the 2012 levy is \$3.50 per thousand dollars of assessed valuation (\$8,782,023,491 of assessed value), the estimated levy rate for the 2013 levy is \$3.56 per thousand dollars of assessed valuation (\$8,913,734,119 of assessed value), the estimated levy rate for the 2014 levy is \$3.59 per thousand dollars of assessed valuation (\$9,047,420,406 of

assessed value), and the estimated levy rate for the 2015 levy is \$3.59 per thousand dollars of assessed valuation (\$9,183,131,712 of assessed value). The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy. Upon approval by the voters of the proposition substantially in the form set forth below, the District may use the proceeds of said levies during the 2012-2013, 2013-2014, 2014-2015, 2015-2016 and 2016-2017 school years by incurring an indebtedness by the issuance of short term obligations against the General Fund of the District, as authorized by Chapter 39.50 RCW, and may expend the proceeds of said levies to pay such part of the general expenses of maintenance and operations of the District during such school years as may be authorized or allowed by law for the use of excess levy funds.

Section 2. It is hereby found and declared that an emergency exists requiring the submission to the qualified electors of the District of the proposition of whether or not the District shall levy such excess tax for their ratification or rejection at a special election to be held therein on February 14, 2012.

The Thurston County Auditor, as ex officio supervisor of elections in Thurston County, Washington, is hereby requested to find the existence of such emergency and to call and conduct said special election to be held by an all mail-in ballot within the District on said date and to submit to the qualified electors of the District the proposition substantially in the form hereinafter set forth.

The Secretary of the Board of Directors is hereby authorized and directed to certify said proposition substantially in the following form:
