**City of Lacey  
Lacey Transportation Benefit District  
Proposition No. 1  
Sales and Use Tax for Transportation Improvements**

The Lacey City Council, serving as the Board of the Lacey Transportation Benefit District, Lacey, Washington, adopted Resolution 1043 concerning a sales and use tax to fund transportation improvements within the District. This proposition would approve a two-tenths of one percent (0.2%) sales and use tax to be collected for ten years. Revenues would fund a Pavement Management Program to provide for pavement maintenance and preservation to extend the life of the city street system through the use of structural rehabilitation, pavement repair, patching, asphalt resurfacing, slurry seal, other restoration and resurfacing methods, and pedestrian improvements including repair or replacement of sidewalks and construction of curb ramps in conjunction with the Pavement Management Program.
