Health Officer

Dear Neighbor:

On behalf of Thurston County, I am contacting you as a nearby resident of the county-owned property at 720 Carpenter Road NE. It is with regret I must tell you we will be postponing our Thursday, October 14th Safe Parking Town Hall regarding the temporary relocation of 15-20 households living in vehicles to this site. To ensure we align with all timelines associated with the permitting process included in the Thurston County Codes, we must delay the meeting until a later date.

Although we will be postponing the Safe Parking Town Hall, please feel free to submit your questions regarding the proposed program anytime during this process to Meghan Porter, Public Information Supervisor, Meghan.Porter@co.thurston.wa.us.

We are committed to ensuring this process remains transparent and will notify you in advance of the rescheduled town hall. You can also find updates on the Regional Housing Council's website at: <https://www.thurstoncountywa.gov/bocc/Pages/Regional-Housing-Council.aspx>

We will contact you when the date for the rescheduled town hall is finalized. At this time, we anticipate the meeting occurring in early November, with the date, time, and location still to be determined. Please note, county codes require no physical improvements or relocation of vehicles to this site may occur before the town hall is held and a permit is issued.

Regards,

Tom Webster
Office of Housing and Homeless Prevention
Program Manager
