Meeting was called to order by Jon T. at 4:30 pm. The minutes from the May 19, 2016 meeting were approved. (The July meeting was canceled, and the original meeting scheduled for September 15 was rescheduled to today)

Jon and Daryl gave a brief update on the search for a Pre Trial Services Director, the county is close to making a hire.

Jon and Daryl gave a brief update on the Triage Facility, it is currently open for voluntary bases for entry. There were some request this council be kept updated on this facility.

There was a brief discussion about Thurston Thrives Performance Measures. We are working on having Mary Ann O’Garro from Public Health and Social Services at a future meeting. In the meantime we will on some type of a subcommittee or workgroup to prepare for the measures.

There was a brief discussion about the possibility of hiring a Law and Justice Regional Program Manager, which could possibly help with the Law and Justice Council. More information would need to be provided in order to have a buy in from other jurisdictions to contribute to the funding of this position. A suggestion was made to look into grant options to help pay for this position.

Topics for future meetings were suggested: New member orientation, review charter, performance measures determined (from strategy map), grant opportunities, restorative justice, relicensing, and opium and the impact on criminal justice.

The next meeting is November 17, 2016.

The meeting was adjourned at 6:10 pm.
