

MEDIC ONE STAFF REPORT – MARCH 2022

ALS Update:

- We are currently working on staffing the HPU Mondays and Fridays through the end of March. Extending the HPU past March will be reassessed by the TRU Committee. At this point in time, the expectation is that the HPU will be unstaffed after the 31st of March.
- EPCR Committee will meet on April 20th at 09:30am. We are currently discussing the PCR/NO PCR MPD Policy, and are attempting to close gaps in DOA, MVC, and Lift Assist dispositions that do not have PCRs.
- TRU Committee will meet March 10th at 13:00. This committee has a Zoom only option at this point. We will revisit migrating to an in-person option as of the anticipated change in the Governor's mandate on March 21st.
- Paramedic testing will be held on March 23rd-24th. Postings are now active on Medic One's website, agency websites, and Public Safety Testing's portal.
- The ALS Training Coordinator and Quality Improvement Coordinator are now active job postings. Please point anyone that may be interested toward our job postings located at:

BLS Update:

- The EMT Course for 2022-1 will be March 10th through June 4th. The Course will be a combination of online self-study, live virtual meetings and in-person practical skill and evaluations held at Station 95. The pre-requisite CPR Class will be offered as a combination online and in-person skills assessment on March 5th at Station 95.
- TAC will recommend approval for the job descriptions for the new Evaluator Process to Operations Committee in March.
- Anna Lee will present an overview of the Evaluator Process to EMSC.
- The job description for a full-time SEI has been posted.
 - [Senior EMS Instructor](#)
- OTEP
 - All Online courses have been released for all BLS Providers and Instructors. Practical skills will be evaluated throughout the year.
 - BLS Certifications have been processed for all 2022 recertifying personnel.
 - Training will continue working with Lexipol (online training platform) in 2022 to prepare for County-wide implementation in 2023.
 - BLS Evaluator Workshops are scheduled for March 1st, 2nd, and 12th for 2022. Applications were sent the first week in February and many have been received.

CPR Update:

- As of February 15th, 2022, 495 citizens have completed Hands Only CPR Training. Our Training Team is meeting regularly to work on increasing in-person opportunities as well as virtual reality type offerings. Thank you to all of our Instructors and Fire Agencies for teaching and hosting these classes.

IT Update:

- Medic One has started purchasing of backlogged equipment orders, supply-chain constraints continue to be an issue and are impacting delivery dates. Orders will be filled as equipment arrives at Medic One.
