Got leftover paint?

HazoHouse accepts latex and oil-based paints, stains, and varnishes

- Latex paint must be in the original, undamaged container.
- Limit 10 gallons per customer per day.

Businesses, organizations, and households with 100 gallons or more can request a free large volume pickup by visiting www.paintcare.org/pickup.

Visit **WhereDoITakeMy.org** to search for other paint product drop-off sites near you.

Transport materials safely

- Seal containers and tighten lids.
- Make sure all containers are 5-gallons or less in size.
- Keep products in the original containers or label with the contents.
- Place containers in an upright position in a plastic-lined box or in a leak-proof tub with absorbent material (like paper towels).
- Transport products away from children, pets, and passengers.

Materials ready to transport in the back of a vehicle.
