1. AGREEMENT. THIS INTERLOCAL AGREEMENT FOR THURSTON COUNTY SOLID WASTE MANAGEMENT, AND SOLID WASTE MANAGEMENT PLAN AND HAZARDOUS WASTE PLAN UPDATES ("Agreement") is made and entered into by and between Thurston County, a political subdivision of the State of Washington ("County") and the Town of Bucoda, a Washington municipal corporation ("Town"). The County and Town are each a "Party" and collectively the "Parties" to this Agreement. The Parties agree as follows. 3. FINANCING, FUNDS AND BUDGET.

3.1 The costs of Plan administration and implementation shall be through the County Solid Waste Fund ("Fund"). The Fund is established by the County and maintained through user fees, grants, gifts, loans and other lawful funding sources as outlined in the Plan. The Fund is *Intergovernmental Agreement with Town of Bucoda for the Thurston County Solid Waste Management Plan and Hazardous Waste Plan Updates*

dependent on the support of the Town through this Agreement. The County shall maintain the Fund as a dedicated fund within the County budget. All revenues and expenditures in connection with the Plan subject to this Agreement shall be budgeted and accounted for through this Fund.

3.2 The County may from time-to-time adopt by motion, resolution or ordinance, such rates and charges necessary to recover all costs of the County's solid waste planning, management and handling activities, including for solid waste processing and disposal, defense and payment of claims, capital improvements, landfill closure and post closure costs, waste reduction, recycling and public education relating to solid waste handling, waste reduction and recycling.

4. SOLID WASTE AND HAZARDOUS WASTE MANAGEMENT PLAN ADMINISTRATION.

4.1 The County shall provide solid waste planning and management services for solid waste generated within the Town. The County shall plan for hazardous waste planning and management within the Town. The County shall serve as the planning authority for the Plan, except for such planning that is the responsibility of federal or state governments. The Town shall participate in the Plan, as may be updated from time-to-time. Under RCW 70A.205.040(3) and RCW 70A.300.350, the Town authorizes the County to include in the Plan provisions for the management of solid waste and hazardous waste generated within the Town.

4.2 After adoption of the Plan by the County following the process under Chapters 70A.205 and 70A.300 RCW, and by the Town pursuant to this Agreement, the County shall administer the Plan and shall have full authority to implement solid and hazardous waste management programs and services consistent with the Plan, for the Town and the residents within the Town boundaries. County management shall be conducted in conformance with all state and federal laws and regulations. Notwithstanding the foregoing, the County has no responsibility for the regulation or management of solid waste collection within the Town corporate limits, or for hazardous waste handling or disposal. The County may maintain a program for collection and disposal of hazardous household substances.

5. EDUCATION. The County shall provide support and technical assistance to the Town for educational resources and materials related to waste reduction and recycling strategies.

6. SOLID WASTE DISPOSAL. The County shall continue to provide for the efficient disposal of solid waste generated within the unincorporated areas of the County and the Town, consistent with the Plan. The County shall not be responsible for solid waste that has been eliminated through recycling activities consistent with the Plan and lawfully permitted.

7. FLOW CONTROL. The Town shall by ordinance designate the County system for the disposal of all solid waste generated and/or collected within the Town. The Town authorizes the County to designate disposal sites for the disposal of solid waste. 8. ENFORCEMENT. The County shall have primary responsibility for enforcement of laws and regulations requiring solid waste disposal at sites designated by the County. The Town shall cooperate with County in enforcement efforts, and by ordinance shall provide that it is a violation of Town law to dispose of waste outside of the System without County approval. When legally feasible, the County shall bring enforcement actions relating to solid waste handling under this Agreement Sections 7 and 8. However, when the County lacks legal authority to bring an enforcement action, the County may request in writing that the Town bring such an enforcement action. The County shall provide all such information as may be necessary to support the action. The Town shall comply with such a request or otherwise take action to ensure that all solid waste generated and/or collected within the Town is disposed at the County designated disposal site(s). The County shall pay all reasonable attorney fees and costs incurred by the Town in taking such enforcement actions.

9. ACCOUNTING. The County shall maintain accounts for the solid waste management program and the hazardous waste program in accordance with the requirements of the Washington State Auditor. 11.1 Consistent with its management responsibilities under this Agreement, the County shall maintain public liability insurance with limits in accordance with standard practice for its solid waste system, programs and operations.

11.2 The County hereby indemnifies and holds harmless the Town and shall defend the Town against any claims for personal injury or property damage arising out of the County's management and operations of the solid waste system, including those set out in the Plan. The County's indemnification, hold harmless, or defense obligations under this Section do not apply to any claims arising out of the actions of the Town or any activities under a Town's control.
