

**PUBLIC HEALTH AND SOCIAL SERVICES
ENVIRONMENTAL HEALTH DIVISION**

New & Updated Website Forms for Septic Professionals

On-Site Sewage System Professionals,

Thurston County Public Health and Social Services, Environmental Health Division, in conjunction with the Building Development Center has updated/created sewage system application forms.

There is an updated On-Site Sewage Supplemental Application. The update now includes a new work type of "Change of Use". This review will be for projects that are proposing to change the use of an existing permitted and approved on-site sewage system.

The most common examples are changes from residential use to commercial use, commercial use to residential use and the creation of an Adult Family Home. Here is the link to **updated supplemental application**:

https://www.co.thurston.wa.us/permitting/apps-forms/subapps/EH_subapps/HD-Onsite-Sewage-System.1-27-2021.pdf

If you have any questions on change of use please feel free to contact Steve Petersen, Environmental Health Program Manager at (360) 867-2627.

A **new form** has been created to assist Building Development Center and Environmental Health Staff determine how sewage system design revision should be routed and the appropriate fees applied. The link to the design revision form:

<https://www.co.thurston.wa.us/permitting/apps-forms/forms/Revised%20Design%20Submittal%20Form%20FINAL%2002.03.2021.pdf>

If you have any questions regarding the form or submission process at the Building Development Center please feel free to contact Sandy Norton, Building Development Center Supervisor, at (360) 786-5490, extension 2106.

Here is a link to the majority of application an on-site Sewage System Professional would use: <https://www.co.thurston.wa.us/permitting/apps-forms/apps-list-septic-water.html>

**Implementation Date for New & Updated Forms
Monday, March 22, 2021**

Thank you,

Steven W. Petersen, R.S.
