A copy of the request is available below.

This notice is being posted to comply with new language in the Public Records Act, RCW 42.56.250(12), which states that employers must provide notice to an employee and any union representing the employee if a request for records seeks information found exclusively in an employee payroll file. Thurston County is notifying each of the unions representing Thurston County employees by separate correspondence. Additionally, Thurston County is sending a notification to Thurston County employees by email.

Pursuant to RCW 42.56.540, a person/entity named in the record or to whom the record specifically pertains may file a lawsuit seeking to enjoin [stop] the release of any specific public record, and the Superior Court may issue an order stopping release of the record if it determines withholding the record is appropriate under the law.

To the extent the requested records exist, Thurston County intends to release to the requestors those records or portions of records which are not exempt from disclosure pursuant to the Public Records Act, chapter 42.56 RCW. Therefore, pursuant to RCW 42.56.250, the purpose of this notice is to provide notification of the pending disclosure of the above-referenced documents and to give an opportunity to seek to enjoin [stop] disclosure under RCW 42.56.540. Disclosure of these records will occur on March 24, 2023, absent our receipt of a court order enjoining [stopping] disclosure under RCW 42.56.540.

If you obtain an injunction, you must provide a copy of a signed court order enjoining release of the records to Thurston County Public Records Officer Karen Horowitz prior to close of business on March 23, 2023. In addition, you must ensure that all necessary parties (including the requestor) have been joined in the court case.

If you have any questions, you may contact me by telephone at (360) 786-5540 ext. 6277, or by email at karen.horowitz@co.thurston.wa.us.
