

UA INFORMATION SHEET

THURSTON COUNTY UA MESSAGE LINE – (360) 810-8570 – or mycallin.com

1. **FREQUENCY:** A B C D E F
2. **UA PIN:** You will be assigned a pin number from Court Administration. Go to Court Administration today to receive that pin. If you were not present in court please call the Case Coordinator at (360) 709-3266. To obtain your pin you will likely have to provide some form of ID, if calling in, it may need to be through email or fax.
3. **CALL EVERY DAY:** You are required to call in **MONDAY THROUGH FRIDAY**, including holidays, by 6:00 a.m. to determine if you must provide a UA that day. When you call the UA number you must listen to the entire message and hang up **ONLY** when the message indicates to do so.
4. **UA HOURS:** Monday through Friday the **UA hours are 6:30 a.m. – 10:30 a.m. for all men, and 7:00 a.m. – 10:30 a.m. for all women.** You must provide your UA during the designated UA hours which are stated everyday during the UA message. You will **NOT** be allowed to provide a UA outside of the stated UA hours.
5. **UA RESPONSIBILITY:** You must be able to provide the urine sample prior to the end of the UA hours. Each person is taken in the order they arrive at the building. Failure to provide your UA during the required UA hours will be reported to the court as a “No Show” for the UA. If you failed to appear for UA testing, the court may consider it positive. **PLEASE BRING PICTURE ID.**
6. **INVALID & DILUTE UAS:** You are responsible to provide valid UA samples. A specimen with creatinine falling below 20mg/dL is considered invalid. Creatinine is a metabolic product of muscle contraction that is excreted in urine at a relatively constant rate. A sample is considered diluted if the creatinine level is 20 ng or below and the specific gravity is below 1.003. Specific gravity reflects the amount of solid substances that are dissolved in urine. To prevent an invalid or dilute sample, don't drink excessive amounts of fluid prior to providing your urine sample (i.e. do not drink more than 8 oz of fluids within an hour of providing your UA).
7. **YOU AND ONLY YOU ARE RESPONSIBLE FOR THE UA RESULTS:** It is your responsibility to read the ingredients listed on the labels of everything you eat or drink. You must avoid all foods, beverages, and medications that contain any alcohol and/or poppy seeds. Provide the Case Coordinator with any prescriptions and changes to prescriptions right away. Some prescribed and over-the-counter medications can affect your UA so you should check with a pharmacist or the court prior to taking anything new. Claiming that you did not know what was contained in an item will not be an acceptable excuse.
8. **DRESS CODE:** You may not be allowed in the building to provide a UA if you are not dressed appropriately. Please remember you are entering a professional building. When coming to provide your UA ensure you are wearing appropriate length shorts, skirts and dresses. Additionally, you should **NOT** wear a tank top, halter top, midriff-baring shirt, hat, or clothing with alcohol/drug logo, gang logo, or obscenity on them.
9. **CHILDREN:** If you need to bring your children with you while you provide your UA, it is your responsibility to monitor them and ensure that they behave appropriately. If your children are disruptive, you will be asked to NO longer bring them with you.
10. **CELL PHONES:** All cell phones are to be turned off while in the building. If you need to make a call you will need to step outside.
11. **OFFICE CONTACT:** If you need to speak with someone at the Drug Court Office you may reach us at (360) 357-2482.
12. **PAYMENT: PRIOR** to arriving at the Drug Court Office, you must pay for your UA at the Thurston County Clerk's Office. Fee for a regular UA is \$10.00. If you do not have a receipt, you will not be allowed to submit a sample. If you do not submit a sample, you will be considered noncompliant and you may be ordered to come to Court to discuss further consequences.
