Child Abuse Prevention Month

***WHEREAS**, children are the foundation for a prosperous and innovative society, and the foundation for a child's growth and development is established when every community takes responsibility for creating healthy environments where our children can thrive; and*

***WHEREAS**, Thurston County supports the Strengthening Families Protective Factors that reduce abuse and neglect through promoting social connections, knowledge of parenting and child development, parental resilience, concrete supports in times of need, and the social and emotional competence of children; and*

***WHEREAS**, a child's early experiences of being nurtured and bonded with consistent, caring adults affect all aspects of behavior and development, and are associated with better academic grades, healthier choices, improved physical and mental health, positive peer interactions, and an increased ability to cope with stress; and*

***WHEREAS**, the number of child abuse victims in Thurston County continued to increase during the 2016-2021 time period with over 2,316 reported victims annually, and in 2021 Thurston County's child abuse rate of 36.2 victims per 1,000 children was higher than the Washington State rate of 35.7 victims per 1,000 children; and*

***WHEREAS**, 19% of Thurston County adults experienced physical child abuse before turning age 18, and by 8th grade 35% of Thurston County youth have experienced psychological abuse; and*

***WHEREAS**, Thurston County recognizes it is the responsibility of every adult to protect children from all forms of adverse childhood experiences, including abuse and neglect, and recognizes the need for adults, organizations, schools, and communities to form protective barriers around children; and*

***WHEREAS**, effective child abuse prevention programs are essential, and succeed because of community partnerships created among citizens, social service agencies, schools, businesses, law enforcement agencies, faith-based organizations, civic organizations, and other child-serving agencies; and.*

***WHEREAS**, Friday, April 7, 2023, is "Go Blue Day," a day when everyone is encouraged to wear blue to build awareness about child abuse and neglect prevention, and to inspire change by focusing on community activities and public policies that prioritize prevention; and*

Tye Menser
Thurston County Commissioner
District 3
March 7, 2023

Dear Commissioner Menser:

My name is Todd Hughes and I reside in your district. I have been a resident of Thurston County since 1997. I recently retired from 27 years in the food service industry. I have a 25 year old son who is disabled with cerebral palsy. Through the years, I've found individuals, organizations, and businesses within Thurston County are very supportive of families with handicapped children. Now that I am retired, I wish to give back to my community by volunteering for an organization involved with local governance.

One such organization that interests me is the Thurston County Boundary Review Board. The Board's responsibility is to review proposals for annexation by cities, towns and special districts for compliance with local comprehensive plans and statutory requirements contained in the Urban Growth Management Act. I understand there is a vacancy on the Boundary Review Board and the County is looking for a representative. In fact, I understand the County has been looking to fill this vacancy for some time. This possibility greatly interests me. I believe it presents an opportunity to assist and guide communities with orderly growth, much as my family was assisted with my son's growth, but on a larger scale. Please consider me for this position.

For many years I served on the Board of our Homeowners Association in various capacities. Other organizations I have been involved with include: the Tacoma-Lakewood coin club...a 65 year old organization. I currently serve as President. I have participated as a volunteer for Capital Little League the last 5 years in the position of groundskeeper and as a board member. Lastly, I was a volunteer board member of Left Foot Organics till its dissolution.

I will be honored to represent Thurston County on this Board, apply my experiences and learn more about local governance. Please do not hesitate to have your staff contact me if further information is required.

I am excited about being able to give back to my community in this manner. Thank you for your time and consideration.

Warmest regards,

Todd Hughes

Jamie Caldwell
Clerk of the Board
Board of County Commissioners
Thurston County

Dear Ms. Caldwell,

RE: Board Member Vacancy – Proposed Solicitation Process

Thank you for your earlier email regarding the outreach for our board member vacancy. I understand the Board of County Commissioners (BOCC) would like to see a broad outreach for potential candidates before designating an appointee to the board vacancy. As you may recall, our vacancy came about in December 2022 when our board member, Lottie Mosebar, sold her property within the Black Lake Special District (BLSD). In doing so, Lottie became unqualified to vote in the BLSD and therefore could not continue as a board member (RCW 85.38.070(6)).

As I understand, the appointee will serve from the date of appointment by the BOCC until the next BLSD general election in February 2024, a period of nine to ten months. The elected board member will then serve out the remainder of Ms. Mosebar's term, which expires February 2028.

We have considered a couple of solicitation alternatives. Each alternative shares the following common items:

Candidates will be requested to mail or email a letter of interest to the BOCC via the Clerk of the Board. The letter should provide full name, address of property owned in the BLSD, a brief biography and reason(s) for wishing to serve on the BLSD board.

Alternative 1: Mail a solicitation letter to each of the 753 parcels within the BLSD. Request a return letter within 30 days if the property owner(s) wishes to be considered for the vacancy. It is estimated there are 1,300 qualified voters/potential candidates. Each parcel may have two qualified voters if the parcel is owned as community property (RCW 85.38.105(3)).

Discussion: This is the widest possible outreach and the most costly in terms of county and BLSD staff time and postage.

Alternative 2: Mail a solicitation letter to each of the attendees (19) at the October 2022 annual meeting. Post the solicitation letter on the BLSD web home page (www.blacklakespecialdistrict.org) and request a return letter or email within 30 days to be considered for the vacancy. Describe this alternative in detail in the BLSD meeting agendas and minutes.

Discussion: This is a more limited outreach. It does encompass BLSD voters who have participated in the annual meeting and who follow the BLSD proceedings by attending, via Zoom, the BLSD board meetings or reading the agendas and minutes for the meetings.

The BLSD board recommends Alternative 2. The alternative is less costly and can be accomplished more quickly. The outreach is biased toward BLSD voters who participate in BLSD events and/or follow BLSD activities. We think voters with these characteristics may be better board members.

Sincerely,

Lake Stintzi

Good afternoon,

I'm reaching out to touch base with you about recruitment efforts for the open seat with the Black Lake Special District. You'd mentioned that the next meeting was going to be on February 20th, and since I haven't heard back yet, I wasn't sure if there was an update for me to provide the Board. Good Afternoon Lake,

The Board reviewed your request below this morning during their agenda setting meeting. They did have some questions and asked that I reach out for clarification. Their main questions was what advertisement/outreach has been done to find a new candidate for consideration? They're just wanting to ensure that the widest net was cast before going forward with appointing at this time. If you could please get back to me when you have a moment, that would be great. Let me know if you have any questions. Thank you!

Subject: Board Member Vacancy, Qualification for Board Member Replacement

One of our board members, Lottie Mosebar, is expecting to sell her property within the Black Lake Special District. When this occurs, she will no longer be qualified to serve on the District's board. I understand the BoCC will then have the responsibility to fill the position until the next special district general election (2024).

We would like to propose board member candidates for the BoCC to consider. One candidate, Carrie Lerud, is not a property owner within the district. However, Columbus Park, a corporation owning parcels in the District, has indicated they would be willing to designate Carrie to cast their votes thereby making her a district voter. How should we proceed to have Carrie recognized as a district voter?

Attached is information about Columbus Park and what may be relevant RCWs.

Thank you,
