Queries or Analysis Analysis is billed at \$96 per hour. Most analysis requests take less than an hour. Please discuss your analysis needs and goals with a GeoData Analyst to receive a time and cost estimate.

Other Instructions

Deadline _____

County projects take priority. We cannot guarantee to meet this deadline. Most maps can be completed within 5 business days and most analysis projects can be completed within 10 business days. Please contact us **at least two weeks** in advanced if you have a hard deadline for a map and **at least four weeks** if analysis is involved.

By signing below, I approve the above specifications for a Custom Map to be created by the Thurston GeoData Center and agree to pay the invoice upon receipt.
