

Thurston County Law and Justice Council

VISION

To uphold the rule of law and respect the rights of individuals while promoting rehabilitation and a bias-free justice system, leading to a safe community and justice for all.

VALUES

EQUITABLE

Using an equity lens, people are treated with compassion and as unique individuals.

ACCOUNTABLE

Agencies and partners work together to solve problems, create solutions, and maintain an effective law and justice system.

TRANSPARENT

Agencies are clear and open about their goals and objectives and how those are being achieved.

COLLABORATIVE

Agencies and partners work together to solve problems, create solutions, and maintain an effective law and justice system.

INNOVATIVE

Decisions are evidence-based, data-driven, use best practices, and aim to prevent involvement in the justice system.

RESPECTFUL

Stakeholders engage in professional behavior and demonstrate integrity.
