TO: Heather Tschaekofske, Thurston County Community Planning & Economic Development

FROM: Lisa Christensen, Thurston County Environmental Health Division *LC*

SUBJECT: Project 2023103576, Folder Sequence 23-109246 XI, Tax Parcel 21734240101, Halpin Reasonable Use Exception (RUE)

The above-referenced project has been routed to this office for review and comment. This project is requesting a reasonable use exception to build a shop within a fish and wildlife habitat. The property is currently developed with a single-family residence served by a single-family well and an on-site septic system.

Review of the project is complete, and Environmental Health has no objection to the proposal subject to the following condition:

1. The proposed shop building projection must be located a minimum of five feet from the existing well.

If you or the applicants have any questions regarding Environmental Health's review, I can be reached at lisa.christensen@co.thurston.wa.us or (360) 867-2629.
