**Re: Lakeside Industries, Inc. - Durgin Road Plant - Application for RAP Storage
(Tax Parcel No. 21817140200)**

To Whom it May Concern:

Lakeside Industries, Inc. (Lakeside) currently operates a state-of-the-art asphalt plant at Durgin Road under a Thurston County Special Use Permit. The Nisqually Subarea Plan was recently amended to allow asphalt recycling in the Nisqually Subarea if reclaimed asphalt stockpiles are covered. Now that the Nisqually Subarea Plan allows asphalt recycling, subject to conditions, Lakeside is seeking approval to store and recycle reclaimed asphalt product (RAP) at its Durgin Road Asphalt Plant.

Lakeside participated in a Presubmission Conference for this proposed project on April 7, 2022. At that time, the County assigned a project number 2022100806.

Included with this application are as follows:

- Tab 1: Master Application Form and SUP Supplemental Application Form;
- Tab 2: SEPA Cover Sheet and SEPA Checklist
- Tab 3: County Presubmission Conference Notes and Email with County Staff regarding Required Elements of this Application
- Tab 4: Proposed Site Plan and Existing Site Plan
- Tab 5: Pocket Gopher Report
- Tab 6: Noise Monitoring Plan
- Tab 7: Traffic Generation Memo and Communication with County
- Tab 8: Drainage Report
- Tab 9: Site Management Plan
- Tab 10: Recent Hydrogeologic Report
