Hi Kraig – as we discussed, covering the “waste batch” pile was my number one issue – stated in multiple prior hydro comment letters. They already have an acceptable monitoring program that should be continued. Cheers, Kevin

Good afternoon,

I have to move forward with the project review for the subject application. Please let me know if you have any comments or conditions that you would like to be included with either the SEPA Determination and/or recommendations to the Hearings Examiner. If you need additional time, please let me know when I might expect them.

I have attached some documents for reference.

Thank you, --Kraig
