Hello, Shaun –

The subject project has been around a while and I left Thurston County Planning for a few months and have just returned - and this project is at the top of my list. You requested a cultural resource survey and I sent that to you in the email referenced below back in November 2022. I have no notes on whether you responded that this survey was satisfactory to you or not and where you are now on their proposal. Could you please let me know as soon as you have the chance? I hope to not bother you on this one again if all looks good to you.

Thank you,

Hello, Shaun –

I'm sorry to just realize that the attached Cultural Resource Survey Report was not forwarded to you when we received that several months ago. Could you please review this per your initial comment below and let us know if you have further comments on this?

Please response to Sharon Lumbantobing, cc'd here, as this project is getting reassigned to her.

Thank you very much,

Lacy Garner

Hello Sharon,

Thank you for contacting the Squaxin Island Tribe Cultural Resources Department regarding the above listed project for our review and comment. The project area has a high potential for the location of cultural resources. We recommend a cultural resources survey and report be completed for this project. We would prefer to receive an electronic copy by email once completed.
