**Thurston County Medic One
Emergency Medical Services Council – Regular Meeting
Hybrid – 2703 Pacific Ave SE, Olympia
November 15, 2023**

PRESENT

(In-Person): Stan Moon, Brian VanCamp, Frank Kirkbride, Lenny Greenstein, Tom Carroll, Margaret McPhee, Cindy Hambly, John Ricks

PRESENT

(Virtual): Harry Miller, Angela Jefferson

ABSENT: Wayne Fournier, Todd Carson

EXCUSED: Larry Fontanilla, Gary Edwards, Sheila Fay

GUESTS: Dan Bivens (I), Shawn Crimmins (V), Mindy Churchwell (V), Brian Hurley (V), Derek Smith (I)

STAFF: Ben Miller-Todd, Sandra Bush, Joy Keene, Chris Clem, Clint Wathen

CALL TO ORDER/ROLL CALL – Chair Moon called the meeting of the Emergency Medical Services Council (EMSC) to order at 3:30 PM.

I. APPROVAL OF AGENDA – MSC – (Carroll/Greenstein) move to approve the agenda and this carried.

II. PUBLIC PARTICIPATION – None.

III. REVIEW AND APPROVAL OF MINUTES

- A. EMS COUNCIL – September 20, 2023 (Kirkbride/McPhee) move to approve the minutes, and this carried.
- B. OPERATIONS COMMITTEE – October 5, 2023, November 2, 2023 (informational only)

IV. COMMITTEE REPORTS

- A. **OPERATIONS COMMITTEE:** Miller-Todd reported: 2024 ambulance applications for AMR and Olympic, were reviewed and approved and are on today's EMSC agenda for recommendation to the BoCC.
- B. **WEST REGION EMS COUNCIL:** No report – next meeting is December 6th.
- C. **STAFF REPORT:** Staff report is available on the website. [Thurston County | Medic One | Committee Meeting Information \(thurstoncountywa.gov\)](https://www.thurstoncountywa.gov/committees/medic-one). Miller-Todd highlighted on the following: 1) An offer letter has been signed for the Paramedic Program Manager position. His name is Juan Mejias, he is from Texas, and is scheduled to start work on January 2, 2024. 2) Paramedic testing did not pass any candidates. Working on engaging more with JBLM for candidates. 3) A calendar invite will go out for the EMT graduation which is scheduled to take place December 18th.

V. OLD BUSINESS

- A. 2024-2025 Budget Update – Miller-Todd reported: Everything recommended by the EMS council has been preliminarily approved by the BoCC. The BoCC was forced to consider an 8% reduction in the general fund, which would have been a reduction of roughly \$174,000 from the Emergency Management budget, and this would have entirely come out of FTEs. After deliberations, the BoCC was able to identify a couple of different funding sources which helped reduce the budget cut for Emergency Management to \$6,000. A large portion of the reduction was from the rising of costs, and a reduction in sales tax revenue. Sales tax had radically flattened from a 7 or 8% growth to roughly 2-3% growth projection. The county is able to get through the 2024-2025 biennium, but the conversation isn't going to stop – looks like it will carry over to the 2026-2027 budget. As far as the Medic One budget, our levy rate is not as high as it could be, so if the underlying assessed value shrinks, we still have the ability to grow to 7% year after year and not hit the \$0.50 cap.

Back in September the BoCC approved \$1.6 million in ARPA (American Rescue Plan Act) funding for 4 of the 8 medic units we were procuring this year and next year.

VI. NEW BUSINESS

- A. 2024 Ambulance License Applications – (Hambly/McPhee) move to approve recommendation of the 2024 ambulance applications for AMR and Olympic, to the BoCC, and this carried.
- B. MultiCare OCED Interfacility Transports – Northwest Ambulance is the contracted provider for the MultiCare off campus ED (OCED), and Olympic Ambulance is the backup provider. Northwest has submitted their application to DOH for a BLS verified licensure, and if DOH approves then it will go to WREMS, and WREMS will pass it on to the EMSC for operational review (there is an open position in our min/max). To our knowledge, WREMS has not seen the application.
- C. Healthcare System Update – MultiCare OCED is scheduled to open mid-December. Staff is working closely with them regarding protocols and operational components. Miller-Todd said MultiCare CMC (main campus) is doing similar processes as St. Peters to try and clear out beds, and they have done well at meeting their goals.
- D. Medic One 3rd Qtr. YTD Expenditures – Keene reported: Overall, Medic One has expended 55% of their budget through September 2023. Salary expense is low due to vacant positions. A large portion of savings has to do with the ER&R (medic units). Admin is 65% expended overall, ALS is 59%, BLS is 64%, IT is 54% and ER & R is 0%. We will see expenses in ER&R later this month for the new MA1 vehicle, AEDs, and radios. 4th quarter financials close out in March of 2024. Keene also mentioned that the State Auditor's are here in November, and they selected Medic One for medic unit procurement, credit card charges (we heavily use the credit card and receive substantial rebates for the usage), and revenue received, which we really don't receive much.

VII. PUBLIC PARTICIPATION – None

VIII. GOOD OF THE ORDER – Kirkbride said the Comp Plan Committee has met with MultiCare, Providence St. Peter, Olympic Ambulance, and is meeting with South Sound Behavioral hospital today. Kirkbride said there will be an update after the first of the year.

IX. ADJOURNMENT – Meeting adjourned at 4:16.

**THURSTON COUNTY MEDIC ONE
OPERATIONS COMMITTEE ~ MEETING MINUTES
HYBRID - ESC
December 7, 2023**

PRESENT

(In-Person): Shawn Crimmins, Mark Gregory, Derek Smith, Ray Curtis, Leonard Johnson, Larry Fontanilla, Wendy Hill, Brian VanCamp, Mike Buchanan

PRESENT

(Virtual): Brian Hurley, Wendy Rife, Mindy Churchwell, Carla Carter

ABSENT: Matthew Morris, Ciaran Keogh

EXCUSED:

GUESTS: Kevin Heindel (V), Michael Hughes (V), Joel Smith, NW Ambulance (V), Rian Winter (V), Eric Forsythe (V), Pamela Mattson (V), Paul Mitchell, NW Ambulance (I)

STAFF: Ben Miller-Todd, Sandra Bush, Chris Clem, Clint Wathen, Daniel Ehlig

I. CALL TO ORDER/ROLL CALL – Chair VanCamp called the meeting to order at 2:00.

II. APPROVAL OF AGENDA –MSC – (Johnson/Curtis) move to approve the agenda and this carried.

III. PUBLIC PARTICIPATION – None

IV. REVIEW AND APPROVAL OF MINUTES

1. Operations Committee – November 2, 2023 – (Johnson/Crimmins) move to approve the minutes and this carried.
2. EMS Council – November 15, 2023 (Informational only)

V. COMMITTEE REPORTS

- A. **West Region EMS Council** – Clem reported: 1) The council met on 12/6/2023. 2) NW Ambulance presented their EMS Service and Vehicle License application and the council asked to delay their vote until TC EMS Council has had a chance to review and vote. There will be a special council meeting on 12/21 or 12/22 to take action. 3) Olympic Ambulance presented their Grays Harbor County ALS verified application and it was voted to recommend approval to DOH. 4) DOH presented the new trauma triage tool. They will have training resources available on the new tool by January.
- B. **Subcommittees**
 1. Equipment Committee (EqC) – Rian Winter reported on the November 15, 2023 meeting: 1) Drug shortages are saline irrigation bottles, Lidocaine, Ketamine, Albuterol and Bicarb. Chris Clem found a device to get around the saline irrigation. Medic One was able to get a very small amount of Ketamine, and was told a new concentration was available, however it appears that it is not available at this time, and staff is still working on this. 2) The Video Laryngoscopy has been ordered and should be put into service early next year. 3) TFD just received their shipment of Adjustable BVMs and will be testing them before full deployment. 4) A POCUS prep pack is being created for guided IV starts. 5) There was discussion on Peds Bags and whether the kits are being used or if providers just use the Broselow tape and work out of their regular kits.
 2. Mass Casualty Incident (MCI) Committee – Crimmins reported that the committee met 11/28/23 and formalized changes to the MCI plan. Clem reported on MCI training for 2024: There will be an OTEP module with MCI drills across the county. Still working on dates for the larger drills – OFD has a drill scheduled for 6/26/24, TFD will be either 7/8/24 or 7/12/24, based on Tumwater PD's availability, and still working through details with LFD.
 3. Training Advisory Committee (TAC) – No meeting since the last Ops meeting. The next meeting is scheduled for 12/18/23 via zoom.
 4. Transportation Resource Utilization Committee (TRU) / Hospital Diversion – Brooks reported: The last meeting was primarily focused on OCED (Off Campus ED), and masking requirements. Mindy Churchwell said she walked the campus and there is a field in the back that the city might own, and Airlift NW is going to ask the city to pave it for a helipad.
 5. ePCR Committee – Clem reported: The ePCR meeting has been combined with TAC and TAC has not met since the last Ops meeting.

- C. **Staff Report** – Staff report is located on the website at – <https://www.thurstoncountywa.gov/m1/Pages/meetings.aspx> Miller-Todd added that Medic One received a signed offer letter for the Paramedic Program Manager position. Juan Mejias will join the Medic One staff on January 2, 2024. A notice will be sent out on December 15th.

VI. OLD BUSINESS

- A. **EMSC Report** – VanCamp reported: 1) A detailed budget update was presented. 2) 3rd quarter 2023 budget vs actual was presented. 3) The EMSC approved the 2024 ambulance applications for Olympic and AMR. 4) There was discussion on the new MultiCare OCED.
- B. **TCMO Protocols** – Miller-Todd reported: The protocols were re-formatted, and an updated version was submitted to the state on December 1st, and it is anticipated to go live April 1, 2024. The draft protocols are on the Medic One website, as well as an executive summary.
- C. **EMT Workgroup Update** – Clem reported: The workgroup met on November 27th, and they were able to get through the remainder of the rules for comment and discussion. Clem is working on the notes and putting them into a draft of the new rule set and planning on having this done and out to the group tomorrow for review. The plan is to present to Ops in January.

VII. NEW BUSINESS

- A. **Patient Delivery Process to the OCED** – Miller-Todd reported: The go live on the OCED is December 13th. Information will be disseminated to the agencies, including maps of where units can pull in, which is parallel to Selma St. ESO and all other environments will be updated with the OCED as a destination, and Scott Brownell has been working to integrate Tracker into their system so they will have charts go their way as well. Step traumas, STEMIs, strokes, and those types of things cannot go to the OCED, as well as OB patients. The slide included a report line of 564-669-5223, however MultiCare put a new number in chat of 564-669-5210. Miller-Todd reminded the committee that the OCED is a 24/7 facility, and if a 911 is activated, it rolls over to Thurston County protocols.
- B. **Northwest Ambulance Services** – Miller-Todd explained the differences between the two applications that are on the agenda for NW Ambulance. Recommendation on the DOH application will go back to DOH, and recommendation on the Thurston County ambulance application will go to the EMS Council, and then to the Thurston County Board of County Commissioners. The service provided by NW Ambulance will be strictly for the MultiCare OCED and Miller-Todd is recommending a letter be attached to the DOH application regarding the restriction of the license.
- C. **Northwest Ambulance – DOH EMS Service and Vehicle License Application** – (Johnson/Brooks) move to recommend approval of the NW Ambulance license application with trauma verification limited to interfacility emergency and non-emergency only, within Thurston County, and this carried with one abstaining.
- D. **Northwest Ambulance – TC Ambulance Application** – (Johnson/Buchanan) move to approve recommendation to the EMS Council for the NW Ambulance application with a letter of limitation attached, and this carried with one abstaining.

VIII. GOOD OF THE ORDER – Miller-Todd mentioned masking is required in clinical areas at both hospitals, due to RSV. Buchanan said Chief Morris will be at the next meeting.

IX. ADJOURNMENT – (Curtis/Smith) move to adjourn the meeting at 2:55, and this carried.

Northwest Ambulance CCT - BLS Trauma Verification License Application

Supplemental question response:

- a. Consistency with the approved regional plan and patient care procedure.

Northwest Ambulance (NWA) shall follow Thurston County EMS Protocols as well as adhering to Washington State Department of Health patient care standards. NWA operates in 6 different Washington State counties and in each one we have followed the specific county protocol and our medical program directors (MPD) orders of operations. As of date, NWA in 16 years has not received a transport care citation or violation.

- b. Vehicles and Equipment.

Each Transport Ambulance shall be certified by the Department of Health as a Licensed Ambulance. The equipment on each unit shall meet or exceed WAC 246-976-300 vehicle equipment standards. Line-staff are required each morning or during shift change to conduct a vehicle maintenance and equipment check, this is to assure our rigs are street legal and fully equipped for medical transports.

- c. Sufficient Staffing levels.

Northwest Ambulance has over 300 Employees made up of EMTs, RNs, and Paramedics. The transport units assigned to Thurston County will be staffed with only EMT's and RN's. The staff level shall be maintained by our "Staffing Division Chief" who will confirm operational levels do not drop below requirements. We are fortunate to have a great staff that, if needed, our personnel can shift response zones to help cover calls. If

we do not have certified Thurston County EMTs or RNs, our directive will be to transfer the incident to another ems company that is certified and cleared to operate in Thurston County.

d. Trauma Training Program

1. How the services present certified EMS personnel have been, or will be, trained so they have the necessary understanding of department approved Medical Program Director (MPD) protocols.

Northwest Ambulance has hired a Thurston County Paramedic who will begin providing initial medical training (Bridge Course) on Thurston County protocols. The training program will consist of cognitive and didactic testing to confirm each employee understands and can apply the county protocols. We are currently working with Thurston County Medic One program director and their MPD.

2. How the service will assure that its personnel understand their obligation to comply with the MPD protocols.

Northwest Ambulance will assure compliance is followed in two ways, the first is EMT's or RNs shall attend monthly QA/QI meetings with our Thurston County Paramedic and NWA MPD Dr. Ryan Keay. Second, we would want our MPD to have an excellent working relationship with Thurston County MPD to ensure we are upholding county ems standards. Finally, we would find it beneficial to integrate our leadership team into Thurston County Medic One committee meetings.

3. How the service will assure that its personnel will maintain currency with the protocols whenever they are revised.

Thurston County has made this easy by providing ems professional access to their protocols through an app on a cell phone. Each unit and crew member operating in Thurston County will access to this app anytime they are working.

4. How the service will address the numbers 1-3 for new personnel as they join the organization.

Northwest Ambulance provides orientation training for all new members and since we now know the expectation set by Thurston County Medic One. This will be implemented on all new hire/s assigned to Thurston County.

5. Participation and compliance with regional quality improvement.

Northwest Ambulance will assign upper-level management to participate or attend Thurston County Medic One meetings as well as West Region EMS council meetings. Again, as stated above we believe a strong partnership with our MPD and Thurston MPD will help us stay in compliance and improve our quality of care.

EMS AGENCY TRUAMA LICENSE VERIFICATION APPLICATION PACKET:

1. Dispatch Plan

Northwest Ambulance (NWA) receives transport/dispatch requests through our 10-digit phone line. The transport requests are processed in our dispatch center using an AI software system called Logis. This computer aided dispatch program selects the closest, and most appropriate unit to handle the transport. Dispatch and crew members communicate using mobile data devices.

When NWA experiences a true 911 Emergency call or transport it is our policy to allow the local fire/EMS agencies to handle. This is done in two ways, the crew will either dial 911 requesting the help that is needed or they will use their emergency radio hailing the dispatch center nearest them to send most appropriate unit/s. It is not our primary practice to handle 911 emergency medical or trauma calls, but to provide non-emergent transport.

2. Response Plan

Northwest Ambulance (NWA) will provide ground ambulance services from our Tacoma HUB facility, 22 minutes away from the Thurston County line. Our main type of transport will be post hospital care or stabilized patients requesting transfer to a higher care facility. Should the request to provide emergency care, then NWA would have to add an addendum to our license and locate a base station to meet WAC 246-976-390 and RCW 18.73 requirements.

3. Response Area

Northwest Ambulance is expected to provide services to MultiCare facilities in Lacey and we anticipate other hospitals will utilize us when needed for immediate transports. We believe our response area will begin north at Interstate Five and the Nisqually River, run through Lacey, Olympia, Tumwater, and end south near Grand Mound.

4. Type of transport

Northwest Ambulance is contracted with MultiCare to provide interfacility transport services. MultiCare is opening a off campus emergency department (OCED) center in Lacey. This license agreement is attended only for this service. We expect the Lacey MultiCare OCED will care for medical and trauma patients. NWA will assist the OCED by transporting those patients to higher level care facilities in and around Thurston County.

5. Tiered response and rendezvous

Northwest Ambulance will not be utilizing a tiered response system or rendezvous. We do not have any EMS or Fire Service contract requiring us to provide additional support or a tiered system.

RECEIVED

OCT 20 2023

DOH/HSQA/OCS

RECEIVED

OCT 20 2023

DOH/HSQA/OCS
CREDENTIALING

6. Back-up Plan to Respond

Northwest Ambulance is not anticipating emergency medical services, we will allow the local fire service or agencies handle this. If NWA unit has a need for emergency medical service due to patient deteriorating or unable to provide the best level of care, our policy and procedures requires the transport unit to request the closest available 911 unit.

7. Interagency relations

Northwest Ambulance agrees with the Department of Health that interagency relation is important for achieving optimum efficiency in patient care. NWA desires to participate in local and regional EMS council meetings. We want to actively be part of the emergency medical community that supports each other through MOU's, Mutual Aid Agreements, and by collaboration.

8. "Needs and Distribution of Services"

Northwest Ambulance is not duplicating an EMS agency or asking West Region to adjust their min/max provision. According to state documents, there are 2 Trauma Verification License available. NWA is seeking to obtain one of those licenses so that we can provide transport service for MultiCare in Lacey and potentially for St. Peter's, MultiCare Capital, Kaiser Permanente Olympia, and closely related facilities. We will not compete again with Fire/EMS agencies or attempt to replace their jurisdictional authority.

Our ambulances will be stationed out of Tacoma, thus keeping unnecessary transport units out of Thurston County.

9. How this meets the needs as outlined in the Approved Regional Plan

Northwest Ambulance is providing a non-emergent transport service to facilities, especially the new Lacey, OCED. With our company providing this essential service, the facility, community, and local emergency services will benefit. Facilities can transfer patient sooner, discharge from beds can increase, and in-patient availability will be more readily available. Community members will see less wait times at clinics or emergency departments, more tax dollars are saved by not having local ems agencies out of service providing non-emergent transports. Fire/EMS agencies will be more available for true emergency calls, community outreach, and other essential services.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)

5/31/2023

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

CANCELLATION

For Records Only

SHOULD ANY OF THE ABOVE DESCRIBED POLICIES BE CANCELLED BEFORE THE EXPIRATION DATE THEREOF, NOTICE WILL BE DELIVERED IN ACCORDANCE WITH THE POLICY PROVISIONS.

AUTHORIZED REPRESENTATIVE

ACORD 25 (2016/03)

© 1988-2015 ACORD CORPORATION. All rights reserved.

The ACORD name and logo are registered marks of ACORD

(g) any administrator of an Insured Entity;

(h) any medical director of an Insured Entity (but only with respect to their administrative duties and not for the direct provision of Medical Services to Patients);

(i) any Employee, student or Volunteer.

Coverage under this Policy for the Insured Persons listed above shall only apply while such Individuals are acting within the capacity and scope of his or her duties on behalf of an Insured Entity.

IV. COVERAGE EXTENSIONS

A. ADDITIONAL INSURED BY CONTRACT

1. Coverage under this Policy shall be extended to apply to Claims against other individuals or organizations when required by written contract or agreement with the Named Insured, or pursuant to any permit (hereinafter referred to as "Additional Insureds"). The written contract, agreement or permit must be executed and effective prior to the date that the events or incidents underlying or alleged in the Claim took place. Coverage is provided for such Additional Insureds only for those allegations in the Claim which arise out of the otherwise covered negligent acts, errors or omissions of an Insured (other than an Additional Insured).

2. Coverage for the Additional Insureds shall not be deemed to increase the Limits of Liability of this Policy or broaden the terms of coverage. All Additional Insureds will share in the applicable Limits of Liability for any covered Claim. Loss paid on behalf of any Additional Insured, and Defense Expenses if applicable, will reduce and may exhaust any applicable Limits of Liability under this Policy. This Policy shall not provide coverage for any Claim, allegation or liability which arises out of an Additional Insured's own negligence, act, error or omission, work or conduct.

3. Primary, Non-Contributory Coverage:

This Policy will be primary to and not seek contribution from any other insurance available to an Additional Insured; provided that: (a) the Additional Insured is the Named Insured under such other policy; and (a) the Named Insured has agreed in the written contract, agreement or permit that this insurance would be primary and would not seek contribution from any other insurance available to the Additional Insured.

B. OTHER COVERAGE EXTENSIONS

Coverage under this Policy shall also apply to Claims against the following persons or entities, but only with respect to liability arising out of the actions of an Insured:

1. the debtor-in-possession or bankruptcy estate, including any bankruptcy trustee, of an Insured Entity, as established under United States bankruptcy laws, or any equivalent representative of an Insured Entity under the laws of any other jurisdiction;
2. the estate, heirs, executors, administrators, assignees and legal representatives of an Insured Person, in the event of the death or incapacity of such Insured Person; and
3. the lawful spouse of an Insured Person listed above, including any natural person qualifying as a domestic partner under the provisions of any applicable federal, state, or local law in the United States.

V. DEFINITIONS

Some bold-faced words may be defined in other parts of this Policy.

A. Application means:

1. the application forms and any supplemental application forms, including those forms of any other insurance carrier or company, which are submitted to the Insurer in connection with the application and underwriting process for this Policy, or any prior policy of which this is a renewal; and
2. any and all materials and information submitted to the Insurer in connection with the application and underwriting process and all publicly available material developed or disseminated by the Insured about the Insured that the Insurer obtained prior to the Effective Date of the Policy;

all of which are deemed to be on file with the Insurer and are deemed to be attached to, and form a part of this Policy, as if physically attached.

B. Auto means a land motor vehicle, trailer or semitrailer designed for travel on public roads, including any attached machinery or equipment.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)
11/7/2023

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an **ADDITIONAL INSURED**, the policy(ies) must have **ADDITIONAL INSURED** provisions or be endorsed. If **SUBROGATION IS WAIVED**, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).
