Interim Employee Manager
Chief Examiner

Dear Wayne,

I am writing to confirm my decision to resign from the position of Civil Service Commissioner. The effective date would be December 31, 2023.

I have had a long tenure with the Commission and have appreciated the opportunity to be of service to the Commission and the County.

We have made many good decisions over the years. The one that stands out for me, was the decision to have Human Resources provide staff, expertise and resources to the Commission.

Wayne, thank you for everything you have done to develop, enhance and support the work of the Commission.

Sincerely,

Peggy Quan
