This decision is based on our finding that: The Board supports the Assessor's determination of value based on the evidence presented. Neither party attended the hearing to offer testimony. The Petitioner did not provide any market evidence to support his requested value. The Assessor provided a market-adjusted cost approach and a personal property market model regression value in support of the current assessed value. The Board concludes that the Petitioner did not provide clear, cogent, and convincing evidence to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Dated this 26<sup>th</sup> day of January, 2017

  
Robert B. Shirley, Chairman

  
Ruth J. Elder, Clerk of the Board
