BOE True and Fair Value Determination

This decision is based on our finding that: The Board sustains the Assessor's determination of value based on the evidence presented. The Clerk's attempts to inform the current owner about the Petition and the hearing were unsuccessful. Neither of the property owners nor the Assessor's representative participated in the hearing. The prior owner who filed the Petition did not provide any market evidence to support his requested value. The Assessor provided a market-adjusted cost approach and comparable sales in support of the current assessed value. The Board concludes that the Petitioner did not provide clear, cogent, and convincing evidence sufficient to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Dated this 24th day of August, 2017

James Harvison, Chairman

Ruth J. Elder, Clerk of the Board
