Having considered the evidence presented by the parties in this appeal, the Board hereby:

☒ sustains ☐ overrules the determination of the assessor.

BOE True and Fair Value Determination

This decision is based on our finding that: The Board sustains the Assessor's determination of value based on the evidence presented. The Petitioner's representative did not participate in the hearing to offer testimony. The Board had no questions for the Assessor's representative. The Petitioner did not provide any market evidence or income information in support of the requested value, despite the statement on the Petition that "sales and income analysis does not support assessed value." The Assessor provided a market-adjusted cost approach and comparable sales in support of the current assessed value. The Board concludes that the Petitioner did not provide clear, cogent, and convincing evidence sufficient to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Ruth J. Elder, Clerk of the Board
