This decision is based on our finding that: The Board sustains the Assessor's determination of value based on the evidence presented. Neither party participated in the hearing. The Petition indicated that storage buildings are overvalued and the mobile home is in poor condition, but no market evidence or cost to cure estimates were provided to support of his requested value. The Assessor provided a market-adjusted cost approach and comparable sales in support of the current assessed value. The Board concludes that the Petitioner did not provide clear, cogent, and convincing evidence sufficient to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Dated this 26th day of June, 2017

Ruth J. Elder, Clerk of the Board
