Having considered the evidence presented by the parties in this appeal, the Board hereby:

☒ sustains ☐ overrules the determination of the assessor.

BOE True and Fair Value Determination

This decision is based on our finding that: The Board sustains the Assessor's determination of value based on the evidence presented. Neither party participated in the hearing. The Petitioners listed concerns about the percentage of the assessment increase in their Petition. The Board does not consider the percentage of assessment increase or decrease in determining the true and fair market value of the subject property as of January 1, 2016. The Board finds that the Petitioners did not provide any market evidence in support of their requested value. The Assessor provided a market-adjusted cost approach and comparable sales in support of the current assessed value. The Board concludes that the Petitioners did not provide clear, cogent, and convincing evidence sufficient to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Dated this 29th day of June, 2017

James Harvison, Chairman

Ruth J. Elder, Clerk of the Board
