BOE True and Fair Value Determination

This decision is based on our finding that: The Board sustains the Assessor's determination of value based on the evidence presented. Neither party participated in the hearing. The Petitioners listed the reason for their petition as, "Due to 'like' homes that have sold earlier this year," but they did not provide any comparable sales in support of their requested value. The Assessor's Representative provided a written response including a market-adjusted cost approach and a sales comparison approach in support of the current assessed value. The Board concludes that the Petitioners did not provided clear, cogent, and convincing evidence sufficient to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Dated this 26th day of September, 2018

John L. Morrison, Chairman

Ruth J. Elder, Clerk of the Board
