BOE True and Fair Value Determination

This decision is based on our finding that: The Board overrules the Assessor's determination of value based on the testimony and evidence presented. The Board relies, in a measure, on its previous reviews of the subject property. The Petitioners did not participate in the hearing. The Petitioners purchased the subject property for \$325,000 on May 11, 2016. The Assessor's Representative did not participate in the hearing, but provided a written Response. The Assessor's Representative provided a market-adjusted cost approach and a sales comparison approach in support of the current assessed value. The Assessor's Response states that the Petitioners' sales were bank-owned, but the Board finds that the subject property transferred via a statutory warranty deed. The Board concludes that the Petitioners provided clear, cogent, and convincing evidence sufficient to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Dated this 30th day of May, 2018

Ruth J. Elder, Clerk of the Board
