This decision is based on our finding that: The Board sustains the Assessor's determination of value based on the evidence presented. Neither party participated in the hearing. The Petitioner listed concerns about the condition of the property, but did not supply cost to cure estimates or photographs in support of his requested value. The Assessor's Representative provided a written response that included a market-adjusted cost approach and a sales comparison approach in support of the current assessed value. The Board concludes that the Petitioner did not provide clear, cogent, and convincing evidence sufficient to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Dated this 20<sup>th</sup> day of September, 2018

  
John L. Morrison, Chairman

  
Ruth J. Elder, Clerk of the Board
