This decision is based on our finding that: The Board sustains the Assessor's determination of value based on the evidence presented. Neither party participated in the hearing. The Petitioners referred to a prior Board of Equalization decision, but did not provide any market evidence in support of their requested value. The Assessor's Representative provided a written response including a market-adjusted cost approach and a sales comparison approach in support of the current assessed value. The Board concludes that the Petitioners did not provide clear, cogent, and convincing evidence sufficient to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Dated this 26<sup>th</sup> day of September, 2018

  
John L. Morrison, Chairman

  
Ruth J. Elder, Clerk of the Board
