This decision is based on our finding that: The Board adopts the Assessor's recommended reductions based on the evidence presented. These appeals were the result of Requests for Reconvening approved by the Washington State Department of Revenue pursuant to Washington Administrative Code 458-14-127. Therefore, these petitions could not be stipulated between the parties. The Assessor recommended reductions based on the application of a restriction adjustment. The Petitioner agrees with the recommended reductions. The Board concludes that the evidence supports the recommended reductions.
