This decision is based on our finding that: The Board sustains the Assessor's determination of value based on the evidence presented. The Parties did not participate in the hearing. On Petition, the Petitioners reported purchasing the subject property for \$320,000 on April 11, 2016. The Petitioners provided a fee appraisal of March 25, 2016 for \$324,000. The Assessor's Representative provided a written Response including a market-adjusted cost approach and a sales comparison approach in support of the current assessed value. The Board finds that trending the purchase price and the fee appraisal to the January 1, 2018, assessment date supports the current assessed value. The Board concludes that the Petitioners did not provide clear, cogent, and convincing evidence sufficient to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Dated this 13th day of June, 2019

Ruth J. Elder, Clerk of the Board
