This decision is based on our finding that: The Board sustains the Assessor's determination of value based on the evidence presented. The Petitioners did not participate in the hearing. On Petition, the Petitioners referred to like homes that have sold for less earlier in the assessment year, but no comparable sales were provided. The Assessor's Representative did not participate in the hearing, but provided a written Response including a market-adjusted cost approach and a sales comparison approach in support of the current assessed value. The Board finds that the Petitioners did not provide comparable sales or cost to cure bids in support of their requested value. The Board concludes that the Petitioners did not provide clear, cogent, and convincing evidence sufficient to overcome the Assessor's presumption of correctness and to warrant a reduction in the valuation.

Ruth J. Elder, Clerk of the Board
