FOR TRANSPORTATION SERVICES**

This Agreement is entered into in duplicate originals between the CITY OF TUMWATER, a municipal corporation (hereinafter "City"), and THURSTON COUNTY, a municipal corporation (hereinafter "County"), pursuant to RCW 39.34.080.

WHEREAS it is to the mutual advantage of Thurston County and the City of Tumwater to cooperate as described herein in order to make the most efficient use of their resources to provide services and facilities needed by the citizens residing within their respective jurisdictions; and

WHEREAS, RCW 39.34.080 authorizes a public agency to contract with another public agency to perform any governmental service, activity, or undertaking that each public agency is authorized by law to perform;

NOW THEREFORE, by virtue of RCW 39.34.080 and in consideration of the terms, conditions, covenants, and performances contained herein, or attached and incorporated and made a part hereof, IT IS MUTUALLY AGREED AS FOLLOWS:

**I
GENERAL**

1.0 It is the purpose of the Agreement to permit the parties to make the most efficient use of their resources by enabling them to cooperate by furnishing each other manpower, equipment, and materials when available on a reimbursable basis for roadway maintenance activities. This will be done with the understanding that the work of the owner of the requested resources takes priority.

**II
DURATION**

2.0 This Agreement shall become effective upon the last date of execution and shall remain in effect for ten (10) years unless terminated sooner as provided for herein. At the end of the ten-year term, this Agreement may be renewed under those terms and conditions mutually agreed to by the parties herein. Prior to commencement, this Agreement shall be filed in accordance with RCW 39.34.040.

2.1 Should this contract be executed and filed prior to the expiration of the Master Interlocal Agreement Dated March 31, 2015 between the parties, the parties agree that the March 31, 2015 Master Interlocal Agreement will terminate upon the last date of execution of this Agreement.

**III
REQUEST FOR SERVICES**

3.0 Each request for service shall be submitted by the Public Works Director or designee on behalf of each entity. Examples of the types of services that each party may provide to the other party are contained in Exhibit A attached hereto and incorporated herein by reference. Each request for service shall be in writing and shall specify the service required, the amounts and types of labor, equipment, and material required, the location of the work, the estimated cost of the work, when the work is to be performed, and other information pertinent to the request. Upon receipt of the request, the party which has been requested to supply the service shall indicate their acceptance or rejection of the request, have it signed by their authorized official, and return one (1) copy to the requesting party. The authorized official for Thurston County is the Director of the Public Works Department or designee and for the City is the Public Works Director or designee. If either party has provided for a designee, that party shall provide notice to the other so that each party has notice of who is authorized to make and approve requests under this Agreement. In cases of emergency, the request and approval may be done verbally but must be documented in writing within forty-eight (48) hours of the verbal request. Each accepted request for service is incorporated into and is made a part of this Agreement.

IV PAYMENT

4.0 The parties to this Agreement agree that the party receiving services under this Agreement shall reimburse the party providing the services for their actual direct and related indirect costs. Upon request of the providing party, the party receiving services shall make partial payments to cover costs incurred. These payments are not to be more frequent than one (1) per month. It is agreed that any such partial payment will not constitute agreement as to the appropriateness of any item.

4.1 For road resurfacing or rehabilitation work, the maximum amount payable for work to be performed under this Agreement is five hundred thousand dollars (\$500,000) per calendar year unless otherwise amended in accordance with the provisions of this Agreement.

4.2 The maximum amount payable for all other work to be performed under this Agreement is one hundred thousand dollars (\$100,000) per calendar year unless otherwise amended in accordance with the provisions of this Agreement.

V RECORDS RETENTION AND AUDIT

5.0 During the progress of the work and for a period not less than six (6) years from the final date of payment, the records and accounts pertaining to the work and accounting therefore are to be kept available for inspection and audit by either party and/or the Federal Government and copies of all records, accounts, documents, or other data pertaining to the work will be furnished upon request. If any litigation, claim, or audit is commenced, the records and accounts along with supporting documentation shall be retained until all litigation, claim, or audit finding has been resolved even though such litigation, claim, or audit continues past the 6-year retention period.

VI
CARE AND MAINTENANCE OF EQUIPMENT

6.0 The parties agree that any time a request is made for the use of equipment, the requesting party shall be responsible for the proper care, maintenance, and security of the equipment until the equipment is returned to the owner. Any damage other than normal wear and tear will be the responsibility of the party in possession of the equipment at the time the equipment is damaged.

VII
RIGHT OF ENTRY

7.0 The parties to this Agreement hereby grant and convey to each other the right of entry upon all land in which the parties have interest, within or adjacent to the right of way of the highway, road, or street for the purpose of accomplishing all work or services requested as part of this Agreement.

VIII
RELATIONSHIP OF THE PARTIES

8.0 The employees or agents of each party who are engaged in the performance of this Agreement shall continue to be employees or agents of that party and shall not be considered for any purpose to be employees or agents of the other party. 9.2 The County's obligations and the City's obligations hereunder shall not extend to bodily injury, sickness or death caused by or arising out of the sole negligence of other party, its officers, officials, employees or agents.

9.3 In the event of the concurrent negligence of the parties, the County's and the City's obligations hereunder shall apply only to the percentage of fault attributable to each party, its officers, officials, employees or agents.

9.4 For paint striping services approved under this Agreement involving the application of paint striping by the County on City streets only, the City agrees to be responsible for the claims management process, including all investigation and resolution of claims. The City also agrees to be responsible for the payment of claims arising out of the County's work resulting in real or personal property damage or destruction except to the extent of the County's gross negligence or willful misconduct. "Claim" means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorneys fees, attributable to damage or destruction of real or personal property including loss of use resulting therefrom.
