NOW THEREFORE, by virtue of RCW 39.34.080 and in consideration of the terms, conditions, covenants, and performances contained herein, or attached and incorporated and made a part hereof, IT IS MUTUALLY AGREED AS FOLLOWS:

**I
GENERAL**

- 1.0 It is the purpose of the Agreement to permit the parties to make the most efficient use of their resources by enabling them to cooperate by furnishing each other manpower, equipment, and materials when available on a reimbursable basis for roadway maintenance activities. This will be done with the understanding that the work of the owner of the requested resources takes priority.
- 1.1 It is also the purpose of the Agreement to permit the parties to expend Rural Community Support Program ("RCSP") funds held by the COUNTY set aside for the purposes of transportation improvements in the CITY.

**II
DURATION**

- 2.0 This Agreement is effective on the date written above and shall remain in effect for the remainder of the calendar year in which it is signed and throughout the following calendar year. Thereafter, this Agreement shall renew automatically from year to year effective January 1 to December 31 of each calendar year, unless either party notifies the other in writing to terminate or make substantial changes to this Agreement by April 1 of the preceding calendar year or is terminated pursuant to Article XI, Termination. Prior to commencement, this Agreement shall be filed or posted in accordance with RCW 39.34.040.

Each accepted request for service shall be incorporated into and is made a part of this Agreement.
- 3.1 The parties to this Agreement agree that the party receiving services pursuant to Article III, Request for Services, of this Agreement shall reimburse the party providing the services for their actual direct and related indirect costs. Upon request of the providing party, the party receiving services shall make partial payments to cover costs incurred. These payments are not to be more frequent than one (1) per month. It is agreed that any such partial payment will not constitute agreement as to the appropriateness of any item.

IV
CARE AND MAINTENANCE OF EQUIPMENT

- 4.0 The parties agree that any time a request is made for the use of equipment, the requesting party shall be responsible for the proper care, maintenance, and security of the equipment until the equipment is returned to the owner.
