Creating Solutions for Our Future

Joshua Cummings, Director

Code Clarifications & Corrections

Project Information

These updates are a combination of Development Code Docket Item requests for changes and corrections to Community Planning codes and procedures.

Updates are part of the 2022-2023 Development Code Docket set by the Thurston County Board of County Commissioners every two years.

Miscellaneous Clerical Errors (Docket Item #A-13)

These changes are proposed in order to correct information and update terms and names within the Thurston County Code.

Ordinance

Clarification on Expansion of Non-Conforming Non-Residential Uses and Structures (Docket Item #A-28)

This docket item is intended to clarify regulations for expansion of academic schools.

[Ordinance](#)

Update Sign Board Posting Procedures (Docket Item #A-29)

The project proposes to change the noticing procedures on specific applications to switch certain responsibilities from County staff to project applicants and improve staff efficiency.
