- Sign installers must have permission of the underlying property owner prior to placing signs.
- Temporary political campaign signs are subject to all other applicable provisions of Chapter 47.42 RCW and Chapter 468-66 WAC that pertain to Type 3 on-premise signs.

In addition to the above restrictions, the posting of advertising signs within the right-of-way of all state highways is illegal. Accordingly, any sign placed within the right-of-way\* of any state highway will be removed by the Department of Transportation.

A campaign sign cannot be designed in a manner that resembles an official traffic control sign.

\* The road right-of-way includes the paved road and strip of land, usually on either side of the road, that is reserved for shoulders, drainage ditches, sidewalks, traffic signs, electrical traffic signal control boxes, utility lines and future road expansion.
