

Justice Involvement Table for Calendar Year 2016 – Thurston County Treatment Sales Tax (TST)

January 1, 2016 through December 31, 2016

TST-funded services have varying capacity to monitor justice involvement of participants. Services whose participants are only eligible because they are currently involved in the justice system have access to arrest/conviction data. Treatment services may not have access to or permission to obtain arrest/conviction records for participants. Efforts to collect pre-service, in-service and post-service (recidivism) justice involvement data are ongoing.
