### **Thurston County 2021-2026 Capital Improvement Program**

#### **Appendix G, Thurston County Comprehensive Plan**

#### **Minor Amendments in coordination with 2021 Budget Amendments**

**4.26.21**

#### **Summary of amendment proposal**

Two facilities are proposed to be added to the 2021-2026 Capital Improvement Program. The CIP is an Appendix to the Thurston County Comprehensive Plan and is part of the capital facilities element. The CIP serves as the required 6-year financing plan for capital facilities. Per County policy, the addition of new projects to the CIP must follow a Comprehensive Plan amendment process (Chapter 6- Capital Facilities, Objective 1-F, Policy 5). CIP amendments are docketed annually in anticipation of updates necessary to align with budget amendments and adoption.

These two new facilities are identified as necessary to meet the County's needs for additional space for County administrative offices. This need is described in Thurston County Comprehensive Plan Chapter 6-Capital Facilities.

New facility descriptions are attached, as well as strike-through/underline changes in financial tables.

**PROJECT DESCRIPTIONS TO BE ADDED TO CHAPTER 7- GENERAL GOVERNMENT FACILITIES**

**Mottman Complex Purchase**

**DESCRIPTION:** The County intends to purchase and renovate the Mottman Complex. Upon purchase the site would be renovated to include the Elections division of the Auditor Office, Facilities, and the Records center.

**PROJECT SCOPE:** The purchase would include three buildings on three separate parcels on the same campus. Parcel numbers are 63050002200, 63050002202, 63050002203. Future renovations of the 3 buildings would be completed to fit the needs of the Elections, Facilities and Records.

**JUSTIFICATION (Need/Demand):** The Auditor Elections division of the Auditors office has needed more space with which to run elections. The Presidential elections cycle and the increase in voter

involvement in recent elections has created a need for more space to run operations and make sure that the County has a safe and secure elections. The purchase of the property will secure the area that is now leased by Elections and secure a facility that has room for expansion for Auditor Elections. It would also allow Facilities and Records to move from currently leased buildings into County owned properties.

**LOCATION:** 2905 29<sup>th</sup> Avenue SW, 2915 29<sup>th</sup> Avenue SW, and 2918 Fergusons Street SW, Tumwater, Washington, 98512.

**IMPLICATION OF NOT DOING THE PROJECT(S):** If the properties are not purchased the Auditor Elections will not have the need space to properly run the next Presidential election in a safe and secure manor. The leases of Facilities and Records would also need to be extended.

**LINKS TO OTHER PROJECTS OR FACILITIES:** Facilities division of Central Services, Building 1 & 4.

### 3000 Pacific Ave. S.E. Lease and Tenant Improvements

**DESCRIPTION:** The County intends to enter into a Lease contract for the building located at 3000 Pacific Avenue SE, Olympia. Tenants that will occupy the facility are: Auditor, Community Planning and Economic Development, Board of County Commissioners, Information Technology, Board of Equalization, Human Resources, Geodata, Central Services Administration and Treasurer.

**PROJECT SCOPE:** Design and construction for build-out of all Tenant Improvements for County Departments listed above.

**JUSTIFICATION:** Obtain leased space to house administrative County functions and allow renovation and use of 2000 Lakeridge Dr. campus for Justice center and associated functions.

**LOCATION:** 3000 Pacific Avenue SE, Olympia, WA 98501.

**IMPLICATION OF NOT DOING PROJECT:** Challenges with expansion/growth of court functions and expansion/growth of administrative departments are constrained at current location. Renovation of current campus facilities would be limited and difficult in occupied facilities.

**LINKS TO OTHER PROJECTS OR FACILITIES:** Expansion of courts functions. Renovation of 2000 Lakeridge Dr. Campus.
