**NOTICE OF PUBLIC HEARING  
FOR THE THURSTON COUNTY  
PLANNING COMMISSION**

The Thurston County Planning Commission will hold a public hearing on Wednesday, October 6, 2021 at 7:00 p.m., or soon thereafter. The hearing will be held virtually. The Planning Commission will provide a link to connect remotely to the public hearing for those interested in providing testimony one (1) week before the meeting at: <https://www.thurstoncountywa.gov/planning/Pages/pc-meetings.aspx>.

The purpose of these hearing is to take public testimony on docket item on the 2020-2021 Official Docket of Comprehensive Plan Amendments: CP-19 "Up Castle Land Use & Rezone Amendment". This proposal is a citizen-requested amendment to the Thurston County Comprehensive Plan, which would amend the land use and associated zoning of two (2) parcels (13524430400 and 13524430500) totaling 33.11± acres from the Rural Residential/Resource—One Dwelling Unit Per Five Acres (RRR 1/5) to Rural Resource Industrial District (RRI) designation. An associated code amendment to Title 20.29 "Rural Resource Industrial" is also proposed to expand locational criteria for certain industrial uses and to allow for more flexibility of vehicular access from certain road classifications.

The Planning Commission may make a recommendation to the Board of County Commissioners on the proposal during this time, or at any scheduled meeting thereafter.

Those wishing to testify should connect remotely to the virtual public hearing and be heard. If unable to attend, mailed or emailed comments must be received no later than October 6, 2021 by 4:00 pm.
