

THURSTON COUNTY HABITAT CONSERVATION PLAN (HCP)

Working Lands Strategy: AGENDA

When: Wednesday, February 24, 2016 from 3:00 p.m.–5:00 p.m.
Where: USDA Conference Center, 1835 Black Lake Blvd SW, Olympia,
Contact: Jeremy Davis, Thurston County
360-754-3355 ext. 7010, davisj@co.thurston.wa.us

Objectives: We know working lands are important. How best can we provide certainty for agriculture landowners, and support for stewardship? We are early in scoping a Working Lands Strategy for the HCP and not completely sure what will work with USFWS, but we wanted to start a conversation with you all.

- | | |
|---|------|
| 1. Welcome and Introductions | 3:00 |
| 2. HCP Overview | 3:15 |
| ➤ Scope of the plan | |
| ➤ Finding the sweet spot | |
| ➤ Providing an “easy button” for development | |
| ➤ Supporting the landowners whose stewardship has kept habitat in place | |
| ➤ Getting strategic conservation going | |
| 3. Projected development impacts | 3:30 |
| ➤ Covered activities in the HCP | |
| ➤ How much impact to expect over 30 years | |
| ➤ Discussion | |
| 4. Conservation program | 3:45 |
| ➤ How much conservation is needed? | |
| ➤ Conservation strategies | |
| ➤ Working Lands: Incentives & Consistent uses | |
| ➤ Working Lands: Regulatory assurances | |
| ➤ Other ideas? | |
| 5. What else can we think about to make sure the HCP works? | 4:45 |
| 6. Next steps and Adjourn | 5:00 |
