PROPOSED CODE AMENDMENT

Note: The Board of County Commissioners will rely largely on the information provided in this form to decide whether or not to pursue the proposed code amendment.

What is the issue/problem/opportunity to be addressed? What problems are County residents or other parties having with the current regulations? (Provide a specific example if possible):

Are you aware of anyone else (individual or group) who shares this concern? If yes, who? How many? (Please provide contact information for stakeholders, if possible.)

What do you think needs to be changed, added, or deleted in the code? (Please cite the section of code you want changed or attach the affected code with the proposed changes.)

Where would the amendment apply?

- County wide Rural County (outside urban growth areas)
- Growth Area. Please check the applicable growth area:
 - Olympia
 - Lacey
 - Tumwater
 - Yelm
 - Grand Mound
 - Tenino
 - Rainier
