BOARD OF COUNTY COMMISSIONERS

June 11, 2013

Mr. Eric Erler
Capitol Land Trust
209 4th Ave. E. #205
Olympia, WA 98501

Dear Mr. Erler:

The purpose of this letter is to inform you that on June 6, 2013, the Board of County Commissioners approved the Capitol Land Trust's (CLT) request for the Wynne Farm conservation easement project. The project is to purchase approximately 175 acres of conservation easement.

The County will provide \$175,000 with the condition that the project will be completed by July 1, 2014.

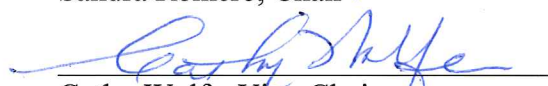

The County's Conservation Futures contribution can pay for any associated costs, as long as they do not exceed the amount of the award.

With the contribution of these funds, the County will be granted third-party enforcement rights with CLT as the primary grantee and easement holder.

Thank you for your interest in the Thurston County Conservation Futures program. Please contact Andrew Deffobis in our Planning Department at (360) 786-5467 or deffoba@co.thurston.wa.us should you have any questions about this award.

Sincerely,

Sandra Romero, Chair

Cathy Wolfe, Vice-Chair

Karen Valenzuela, Commissioner
