BOARD OF COUNTY COMMISSIONERS

October 11, 2016

Daniel R. Einstein
1007 Rogers St. NW
Olympia, WA 98502

Dear Mr. Einstein:

The purpose of this letter is to inform you that the Board of County Commissioners approved Olympia Coalition for Ecosystems Preservation's request for \$150,000 from the Conservation Futures fund to support the Preserving the Integrity of the West Bay Heronry project. This project involves the acquisition of parcel 09030005000, totaling approximately one (1) acre.

The Board agreed to provide funds for the West Bay Heronry project with the condition that the acquisition be completed no later than May 1, 2017. Please note that you will need to complete a conservation agreement with Thurston County prior to the release of Conservation Futures funds. Also, note that invoices for Conservation Futures funds must be submitted at least two weeks prior to the escrow closing date.

Thank you for your interest in the Thurston County Conservation Futures program. Please contact Andrew Deffobis in our Resource Stewardship Department at (360) 786-5467 or deffoba@co.thurston.wa.us should you have any questions about this award.

Sincerely,

Sandra Romero, Chair

Cathy Wolfe, Vice-Chair

Bud Blake, Commissioner
