

From Thurston County  
Please joins us on May 25 for a Habitat Conservation Plan update meeting

Hello from Thurston County's  
Long Range Planning Division

---

---

**PLEASE JOIN US FOR AN HCP UPDATE MEETING ON MAY 25**

Thurston County has continued to work on options for a habitat conservation plan that could help County permit applicants comply with federal Endangered Species Act laws. We developed two new options that we will review in detail at the meeting.

---

**THE COUNTY IS EXPLORING NEW OPTIONS**

There are presentations about [new HCP options on the County's website](#). We ask that you review them in advance, and prepare questions to bring to the meeting. You'll have an opportunity to ask questions during the Question & Answer session.
