

THURSTON COUNTY SHORELINE MASTER PROGRAM UPDATE Inventory and Characterization Report

Final Draft – June 30, 2013

APPENDIX D: ACRONYMS

ACRONYMS

The following acronyms are utilized within the Inventory and Characterization document:

AC	Arterial commercial
AG	Agricultural
BP	Business Park
CBD	Central Business #6
CCD	Community Commercial
CD	Commercial Development
cfs	cubic feet per second
CMR	Community Retail
CMZ	Channel migration zone
County	Thurston County
COSC	community Oriented Shopping Center
CZA	Coastal Zone Atlas
DNR	Department of Natural Resources
DO	Dissolved Oxygen
E	East
Ecology	Washington State Department of Ecology
ESA	Endangered Species Act
ESSB	Engrossed Senate Substitute Bill
ESU	Evolutionarily Significant Unit
FEMA	Federal Emergency Management Administration
FIRM	Flood Insurance Rate Map
ft	feet
GB	Green Belt
GC	General Commercial
GIS	Geographic Information Systems
HC	Highway Commercial
HD	High Density Residential
HI	Heavy Industrial
HPBD	Hawks Prairie Business District
I-5	Interstate Highway 5
LD 0-4	Low Density Residential
LD 3-6	Low Density Residential
LI	Light Industrial
LI/C	Light Industrial/Commercial
LIDAR	Light Detection and Ranging
LTA	Long Term Agricultural
LTF	Long Term Forestry
LWD	Large Woody Debris
m	meter
MD	Moderate Density Residential
ME	Mineral Extraction
MFH	Multi-Family High Density Residential 14-29

MFM	Multi-Family Medium Density Residential 9-15
MGSA	McAllister Geologically Sensitive Area
MHDC	Mixed Use High Density Corridor
MHHW	Mean Higher High Water
MLLW	Mean Lower Low Water
MMDC	Mixed Use Moderate Density Corridor
MR	Military Reservation
MR10-18	Mixed Residential
MR7-13	Mixed Residential
MS	Medical Service
NA	Nisqually Agriculture
NC	Neighborhood Commercial
NCDC	National Climatic Data Center
NGVD	National Geodetic Vertical Datum
NOAA	National Oceanic Atmospheric Administration
NPDES	National Pollution Discharge Elimination System
NR	Neighborhood Retail
NV	Neighborhood Village
NW	Northwest
NWF	National Wildlife Federation
NWI	National Wetland Inventory
° F	degrees Fahrenheit
OHWM	Ordinary High Water Mark
OS	Open Space
OS-I	Open Space/Institutional
PHS	Priority Habitats and Species
PI	Planned Industrial Park
PO/RM	Professional Office/Residential
PP	Public Preserves
PSAT	Puget Sound Action Team
PSNERP	Puget Sound Nearshore Ecosystem Restoration Project
PSP	Puget Sound Partnership
R/SR	Residential/Sensitive Resource
R1/10	Rural – One Dwelling Unit per ten acres
R1/20	Rural – One Dwelling Unit per ten acres
R1/5	Residential
R3-6/1	Residential 3-6 Units per 1 acre
R-4	Residential
R4-16/1	Residential 4-16 Units per 1 acre
R4-8	Residential
R6-12	Residential
RCC	Rural Commercial Center
RCW	Revised Code of Washington
RL1/1	Residential LAMIRD – One Dwelling Unit per one acre
RL1/2	Residential LAMIRD – One Dwelling Unit per two acres
RL2/1	Residential LAMIRD – Two Dwelling Units per acre

RLI2-4	Residential Low Impact
RM	River Mile
RM-18	Rural Multi-Family
RR1/5	Rural Residential
RRI	Rural Resource Industrial
RRR1/5	Rural Residential/Resource
SE	Southeast
SFL	Single-Family Low Density Residential
SFM	Single-Family Medium Density Residential
SMA	Shoreline Management Act
SMP	Shoreline Master Program
SR	State Route
SSB	Substitute Senate Bill
SSS	Shoreline of Statewide Significance
SW	Southwest
TMDL	Total Maximum Daily Load
TSS	Total Suspended Solids
UGA	Urban Growth Area
UR1/5	Urban Reserve – One Dwelling Unit per five acres
USEPA	U.S. Environmental Protection Agency
USFS	U.S. Forest Service
USGS	U.S. Geological Survey
VC	Village Center
W	West
WAC	Washington Administrative Code
WDFW	Washington Department of Fish and Wildlife
WDOH	Washington State Department of Health
WRIA	Water Resource Inventory Area
