About the AHSS

Our mission is to support coordinated and collaborative decision-making aimed at restoring and protecting the ecological and socio-economic health of South Puget Sound.

Purpose

The Alliance For A Healthy South Sound was created to focus on sustainability – including environmental, economic and community health, implementing a South Puget Sound workplan. The South Puget Sound workplan will identify organizational goals and measurable

targets. The South Puget Sound Action Agenda

ABOUT COMMUNITY PROJECT ENDORSEMENT

Partnership is one tool that strives towards these objectives and, in addition, other tools may be developed and implemented by the organization.

Background

The Alliance for a Healthy South Sound was created by South Puget Sound tribal and county elected officials in 2010. The Alliance was recognized by the Puget Sound Partnership Leadership Council as the South Puget Sound organization responsible for Action Agenda implementation. More information on the Partnership's Action Agenda as well as the geographic Action Areas is available through the Partnership's web site at: <http://www.psp.wa.gov/>

Structure

The Alliance for a Healthy South Sound is divided into three parts: Executive Committee, Council, and ad hoc working groups. All meetings of the Alliance Executive Committee and Alliance Council are open to public attendance.
